

Groove Onkels Equipment

- 10 x 240 liters wheelie bins -CLEANED!! - (we use 8, but two should be a reserve)
- 4 x Oildrums
- big sheet metal for wobble sound. (shouldn't be too thick!)
- small metal tray for Stick sound (could be a bit thicker)
- 1m plastic pipe
- spoked 26" wheel from a bike
- cardboard box (stable - we need it for bass sound!)
- 20 Ten-litre Buckets (for example industrial mayonnaise; Cleaned!!)

You can check that equipment by watching the video below.
Everything of the list above except the oildrums is used in it.

additional Equipment:

- 24 empty bottles of the same type with a capacity of at least 1 litre. GLASS!!!! We have to tune them, so we need all caps and the possibility to fill them up with water.

You can check the additional equipment and the oildrums by watching the videos below. Everything of the list above is used in them.
